- Stage de résidence en anesthésiologie
- Stage de résidence en psychiatrie

Fundamentals of Pain Medicine (CHENG & ROSENQUIST, Springer - 2018)

1. Overview of Pain States (pp. 3-6)
2. Pathways of Pain Perception and Modulation (pp. 7-10)
3. Mechanisms of Physiologic Pain (pp. 13-19)
4. Mechanisms of Pathologic Pain (pp. 21-25)
5. **Pain Assessment (pp. 27-32)**
6. **Diagnosis of Pain States (pp. 33-39)**
7. **Psychological Management of Pain (pp. 43-50)**
8. **The Management of Pain States: Pharmacologic Treatment (pp. 53-60)**

Essentials of Pain Medicine (BENZON & al., Elsevier - 2018)

42. **Major Opioids in Pain Management (pp. 373-384)**
43. Opioids Used for Mild to Moderate Pain (pp. 385-388)
50. **Recommendations for Pharmacologic Therapy of Neuropathic Pain (pp. 445-456)**
51. Non-Opioid Analgesics - NSAIDs, COX-2 Inhibitors and Acetaminophen (pp. 457-468)
52. Intravenous Infusions for Refractory Cancer and Chronic Pain States (pp. 469-473)

L'Examen musculosquelettique (TREMBLAY, Presses de l'Université de Montréal - 2009)

3. Examen de l'épaule (pp. 35-66)
5. Examen de la main et du poignet (pp. 87-118)
6. **Examen du rachis et des articulations sacro-iliaques (pp. 121-147)**
7. Examen de la hanche (pp. 155-170)
8. Examen du genou (pp. 177-202)
10. **Examen neurologique et principales neuropathies périphériques (pp. 241-269)**

Problem-based Pain Management (HSU, Cambridge University Press - 2013)

- 8. Occipital neuralgia (pp. 37-40)
- 10. Cervical radiculopathy (pp. 46-50)**
- 11. Cervical facet syndrome (pp. 51-54)**
- 14. Thoracic outlet syndrome (pp. 63-66)
- 15. Shoulder arthritis (pp. 67-71)
- 16. Shoulder bursitis and tendinitis (pp. 72-76)
- 17. Rotator cuff tear (pp. 77-82)
- 24. Intercostal neuralgia (pp. 114-119)
- 25. Post-thoracotomy, post-cardiac surgery, and post-mastectomy pain (pp. 119-123)
- 29. Groin pain, ilioinguinal, iliohypogastric and genitofemoral neuralgia (pp. 146-151)
- 34. Compression fracture (pp. 180-184)
- 35. Lumbosacral radicular pain and lumbar radiculopathy (pp. 185-191)**
- 36. Sciatica and piriformis syndrome (pp. 192-195)**
- 37. Lumbar spinal stenosis (pp. 196-199)**
- 38. Lumbar facet syndrome (pp. 200-203)**
- 39. Sacroiliac joint pain (pp. 204-210)**
- 40. Lumbar post-laminectomy syndrome (pp. 211-215)**
- 41. Hip arthritis and bursitis pain (pp. 217-221)
- 42. Meralgia paresthetica (pp. 222-226)
- 43. Knee arthritis and bursitis pain (pp. 227-231)
- 46. Myofascial pain syndrome (pp. 243-248)**
- 47. Fibromyalgia pain syndrome (pp. 249-257)**
- 49. Herpes zoster and postherpetic neuralgia (pp. 268-274)**
- 50. Complex regional pain syndrome I (RSD) and II (causalgia) (pp. 275-280)**
- 51. Painful neuropathy (pp. 281-287)
- 54. Phantom limb pain (pp. 303-306)

Essentials of Interventional Techniques in Managing Chronic Pain

(MANCHIKANTI et al., Springer - 2018)

- 8. Radiology of the Spine for the Interventionalist (pp. 89-106)
- 10. Needle Manipulation Techniques (pp. 125-139)**
- 11. Lumbar Epidural Injections (pp. 141-184)**
- 18. Sacroiliac Joint Interventions (pp. 337-346)**
- 19. Lumbar Facet Joint Interventions (pp. 349-366)**
- 21. Cervical Facet Joint Interventions (pp. 387-410)
- 28. Suprascapular Nerve Blocks and Neurolysis (pp. 471-478)
- 29. Chest Wall Blocks and Neurolysis (pp. 481-487)

Atlas of Ultrasound-Guided Procedures in Interventional Pain Management

(NAROUZE, Springer - 2018)

- 14. Ultrasound-Guided Sacroiliac Joint Injection (pp. 151-153)
- 24. Ultrasound-Guided Cervical Sympathetic Block (pp. 237-240)
- 26. Ultrasound-Guided Shoulder Joint and Bursa Injections (pp. 255-265)
- 29. Ultrasound-Guided Knee Injections (pp. 237-240)
